Its or It's Homophones Worksheet

A homophone is a word that is pronounced the same as another word but has a different meaning.

The word (its) shows ownership.

The contraction (it's) is the combination of the two words (it is).

Directions: Circle the homophone (it or it's) that best completes each sentence below.

Example A: (Its / It's) color makes the car stand out from the rest.

Answer: Its
